

## SPOTLIGHT

# Congratulations to STC-North Port Culinary program student!

Congratulations to Drew Rainey, Culinary student at our North Port campus! Drew started our Culinary program as a high school dual enrolled student, graduated high school and returned to STC-NP to complete the Culinary Program.

As part of his final coursework Drew designed a special menu for his family and our staff. Along with the help of classmates, the students prepared and served the food at a special (and delicious!) lunch.

Way to go Drew! Best of luck on your future culinary adventures!
