

Sue Gissal

2018 Employee of the Year

Congratulations to Sue Gissal, STC/SPHS

Media Admin./Web Editor. Sue has been awarded the 2018-2019 EMPLOYEE OF THE YEAR!

This award is determined by co-workers. It is no surprise to hear the many compliments, kind words and admirable comments about Sue.

“As a Media Specialist, she services all students for SPHS and STC along with all of the other programs here on our campus. She always has a smile and is kind and gracious to all, no matter how busy or how many interruptions she encounters on a daily basis being the ‘meeter and greeter’ in the Media Center.” Another staff member said, *“She works many hours after her duty day schedule without complaint or compensation. She does it because she had a genuine*

passion and caring for her job and our students. Her most recent accomplishment is the Book Fair which requires a huge commitment, above and beyond her normal duties. She contributes her time and purchases items out of her own pocket to ensure the event is a success and a huge benefit to SPHS & STC. We are so lucky to have her.”
